

AJ Parent Association Volunteer Sign Ups

AJ Preschool and the Parent Association partner together in and out of the classroom throughout the school year. We welcome parents, extended family members, and special friends to encourage and reinforce the connection between home and school. One way for you to accomplish this is by becoming involved with the school. This will also help connect you with other parents and community members.

*****NEW FOR 2019-2020: The preschool staff cannot do it alone. We need your support more than ever and are asking for either a volunteer commitment (we are requesting help at a minimum of TWO monthly PA meetings or PA sponsored events throughout the school year) OR in the form of a resource fee (of \$25 per family). If you would like to volunteer, please continue below, and fill out your desired interests.**

There's a way to volunteer for everyone! Please review the volunteer opportunities below and indicate the ways in which the volunteer(s) in your family would like to participate, partner, and support this year's activities. **Please fill this out and return with your other forms to the office by August 1.**
